

Environmental Policy Statement

VITRUVIUS

Vitruvius Management Services Limited provides Specialist Project, Commercial and Construction Management Services and is committed to prevent pollution so far as is reasonably practicable in all business activities associated with the services we provide our customers.

We have identified our significant environmental aspects which provide a framework for establishing and reviewing the Company Environmental Objectives and Targets. We are committed to Continuously Improve our Environmental Efficiency and are committed to ensure complete compliance to applicable Legal requirements as well as other requirements pertinent to our specific Environmental Aspects. In particular we will promote Environmental Best Practice to enable our clients to improve their own environmental performance.

In addition to this we will:-

- Manage and reduce our own environmental aspects and impacts;
- Undertake regular reviews of our operations, measure and maintain our existing environmental performance and where possible make improvements;
- Undertake environmental risk assessments in order to identify significant environmental aspects and impacts;
- Provide technically competent services and professional solutions that help to conserve and protect the environment;
- Raise environmental awareness with our staff, suppliers, subcontractors, clients, end users, and all other interested parties along with all other organisations with whom we have contact;
- Consider sustainable criteria, LCA on plant and equipment and encourage the use of sustainable resources, designs and practices over the whole life cycle of the services we provide.

We are serious about the policies we have declared. These have been established and agreed and endorsed by the Directors of Vitruvius Management Services. We have documented and implemented an integrated Management System, compliant with the requirements of ISO 9001:2015, ISO 14001:2015 and OHSAS 18001:2007.
